

A Petition Requesting
A Meeting of the Members of
Eastsound Water Users Association

I petition for a meeting of the members of Eastsound Water Users Association for the purpose of considering a recall of the following board members:

- Clyde Duke - President
- Jim Nelson - Vice President
- Joe Cohen - Secretary
- Scott Lancaster - Treasurer
- Any appointee made to the Board prior to or at the member meeting

The reason for recall is the failure of these board members to perform their fiduciary duty on behalf of the members of the Eastsound Water Users Association.
